ABOUT US

Gulf United Service (GUS) is a distinguished local community contractor proudly owned by Omani interests. Established in 2013 as a modest startup with a few dedicated employees, GUS has evolved into a trusted and reputable company. We offer a comprehensive suite of services including civil construction, road re-sheeting, and specialized engineering and maintenance contracts for refineries and power plants. Furthermore, we are a key provider of technical manpower to clients within the oil field sector. Our management is deeply committed to the continuous training and professional development of our employees, ensuring they meet and exceed client standards to deliver exceptional work.

الخليج للخدمات المتحدة
— GULF UNITED SERVICES —

“To become one of the leading companies in the energy sector by providing excellent service”

“Our goal is to deliver excellence in the energy engineering sector through competent quality standards. We ensure safety and reliability in every project”

Safety Statement

The safety and well-being of our people is our highest priority.

We believe every injury is preventable and no task is so urgent that it cannot be done safely. Each of us is responsible for creating a workplace where risks are identified, concerns are raised without fear, and safe practices are non-negotiable.

Our commitment:

- *We plan for safety before work begins*
- *We stop work if conditions are unsafe*
- *We look out for each other and intervene when we see risk*
- * We learn and improve from every incident and near-miss*

OUR SERVICES

CIVIL WORK

GUS, formerly known as Gulf United Services, specializes in providing reliable and high-quality civil construction contracts for the oil & gas, power plant, and refinery sectors. We have a proven track record of successfully completing Road Resheeting work in PDO sites for the past three years, consistently earning commendations for excellence from our clientele. Our service contracts are designed to offer peace of mind, assuring clients that their facilities are managed by seasoned professionals employing the utmost precision. We are pleased to offer testimonials from our satisfied customers to further demonstrate our commitment to quality and reliability.

Supply Of Earth Moving Equipment's.

GUS is a company that provides earth-moving equipment in excellent, PDO-certified condition. Our highly trained operators adhere strictly to safety protocols, ensuring efficient and secure operations for all projects.

Maintenance Mechanical

Gulf United Service stands as a leading provider of specialized maintenance service tailored for the demanding oil & gas Refinery and power plant sectors. Our commitment is to deliver exceptional trouble-shooting services, leveraging an experienced technical team that ensures all maintenance operations are conducted with utmost efficiency and effectiveness. At GUS, we pride ourselves on offering unparalleled expertise and superior customer service, guaranteeing that our clients receive the highest quality maintenance solutions available in the industry.
